Subject: RE: South Acton Commuter Rail Task Force

The nominees are : Michael Wall(commuter), Michael Acton(commuter), John Sonner(S. Acton resident), Jill Gregory(S. Acton resident), Gary Sullivan (Planning), Dore' Hunter (Selectman), Lauren Rosenzweig (Selectman), Beth Wilson (alternate/associate from Harvard, MA), Ruth Martin (Planning alternate). We are still awaiting a TAC rep. which will hopefully be one of the citizen members in a dual role. Ann Sussman sent an e-mail to the 2 candidates that were not chosen to see if they would like to be on the TAC. The TAC is short on members, and so none of them has volunteered to be on the Commuter Rail Task Force. In any case, one of the members of our committee will report to the TAC on a regular basis. I will be meeting with Bruce Stamski to set the agenda and assemble some background material for our first meeting on 9/14/05.

Sincerely,

Lauren

Importance: High

Lauren:

I have scheduled the appointment of the Task Force members under Consent next Monday but, in looking back to be sure have names, etc. for inclusion in the packet, I find that I do not have a clean recommendation with names. I have the e-mail you sent to everyone indicating they would be nominated but it only shows e-mail addresses, not necessarily the names. Can you give me something for the packet that lists the proposed membership and the associate?

Regards,
Don

Dear Candidates and Committee Representatives:

You have all been nominated to be representatives of the Commuter Rail Task Force Committee. Beth Wilson will be nominated as an associate non-voting member because she is a resident of Harvard, but we felt her views as a non-resident will be extremely valuable to our discussions.

The official vote by the Selectmen will take place at the August 29, 2005 meeting and will be placed on the consent agenda.

The candidates who were not chosen will be encouraged to apply through the Volunteer Coordinating Committee for positions on the Transportation Advisory Committee as they demonstrated an interest in transportation issues throughout the town.

8/26/2005

Our first meeting will be tentatively scheduled for Wednesday September 14 7:30-9:30. Please reply to me re: your availability for that date.

Thank you again for volunteering.

Sincerely,

Lauren Rosenzweig

Dear Mary and Jim,

First of all, thank you for volunteering to be on the committee. Unfortunately we had more candidates than we had positions for and had to make difficult choices. However, we thought you were both very strong candidates who care about transportation and planning issues in town, and would like to encourage you to come forward and volunteer for either the Planning Board (PB) or the Transportation Advisory Committees (TAC). I hope you will do so.

Sincerely,

Lauren Rosenzweig
Member, Acton Board of Selectmen
